What's Mew

More cat products are presented here for your enlightenment and enjoyment. We have included the manufacturers' addresses, in case you need more information on any of these items.

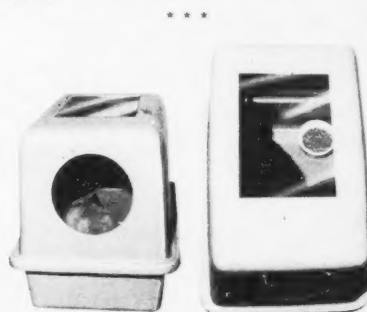

For those not familiar with lamp fixtures, the finial is the piece that screws on top, to hold the shade in place. Now you can get decorative feline finials in brass or ceramic. They're from Classic Collection, Dept. CM, P.O. Box 165, Hanover MA 02339.

Cats have really come of age. Rubbermaid, well-known maker of household products, now has a line of goods made with the cat in mind. Their cat litter tray has curved sides to confine litter. Their pet placemat is an even neater idea: It collects the overflow when puss gets sloppy at the feeding bowl. If your local pet store doesn't carry these items, contact Rubbermaid Inc., Dept. CM, 1147 Akron Road, Wooster OH 44691.

Now, Voyager has three-dimensional embroidered emblems for sewing onto all types of jackets or even to cover that hole in your favorite jeans. Various breeds of cats are included in the 400 designs available from Voyager Emblem Inc., Dept. CM, 3707 Lockport Rd., Sanborn NY 14132.

Haugen Pet Products are offering a ten-percent discount on orders over \$25.00. A Kitten-Kitchen to help keep your floor clean should appeal to anyone who sweeps up bits of dry food after every feline feast. Tree houses to carriers—all are available from Haugen at 717 W. Huron, P.O. Box 1986, Dept. CM, Ann Arbor MI 48105. Free catalogue on request.
